

Executive Board Member

Matthew J. Bystrak, Superintendent Representative

Mr. Matthew J. Bystrak has a life long goal of being committed to his family and the people he serves. Superintendent Bystrak and his wife Liz, (who is also an educator) have two school-aged girls, so he is well aware of what todays children experience in school. During his spare time, he enjoys spending time with his family, reading, exercising and hiking.

Matt is no stranger to the West Seneca Central School District as he has been with the district for 17 years even though he has only been the Superintendent of one of the largest school districts in Western New York. Matt was hired in 2003 as a Social Worker for the district and served in that position until 2009, when he advanced to the position of Assistant Principal. In 2013, Mr. Bystrak was again tapped by the district to serve in a higher position as Principal, where he served for three years before being promoted to the position of Director of Pupil Personnel Services. After only a year in that position, Mr. Bystrak answered the call and served as the Interim Superintendent for one year before being hired as the Superintendent of schools where he has served since 2018.

Mr. Bystrak has an undergraduate degree in Health and Human Services and a masters degree in Social Work

from the University of Buffalo.

Superintendent Bystrak possesses a second masters in School Administration from Canisius College.

Matt is active in the West Seneca Central School District Community, where he is active in the West Seneca Rotary Club.

In addition to working in the West Seneca Central School District, Matt Bystrak is a graduate of the West Seneca Central School system.
