Erie County Association of School Boards

*Where professional development,
leadership & advocacy meet.*

Executive Board Member

Scott Johnson, Sweet Home Central School District Board President

Scott Johnson serves on the Sweet Home School Board and is currently serving as the Board President. He has been a Board Member for 15 years. Scott has been a member of the school's PTA and various school committees since 2000. He volunteered for Habitat for Humanity and oversaw the building of a house in 1993. He worked with Habitat for Humanity for over 20 years. He is an over 100+ unit Blood Donor, and an Officer for 30 years in the New York State Association of Transportation Engineers. As early as 1972, Scott was involved with the rehab of a building that became the Kevin Guest House in Buffalo. He has been involved as a volunteer in Special Olympics for several years...and that is only part of the story.

Within his own school district he serves as the NYSSBA Convention Delegate and is on the Audit Committee. At Erie County Association of School Boards he Co-Chairs the Legislative Team along with Kathleen Chiavetta from the Lake Shore CSD. Scott has been the recipient of the ECASB Rising

Star Award, The Shining Star Award and the Medallion Club Award (2 times each). In 2008 Scott received the NYSSBA Boardmanship award and the NYSSBA Leadership in Governance award. In 2015 he was awarded the NYSSBA Board Lifetime Achievement Award. Through his employment he has received the Association of Transportation Engineers—Engineer of the Year in 2005. Scott is a 1977 graduate of Kenmore West H.S. and attended ECC and SUNYAB for Engineering. He has worked for the Erie County Highway Department as an Engineering Tech., the NYS Department of Transportation as an IT Manager and Highway Designer, and recently retired from the NYS Office of Information Technology Services. He and his wife Bonnie have been married since 1982 and have two children, Janelle (25) and Gregory (22). He had served on the CDEP team for a few years for the district and was encouraged to run by many teachers and administrators. He felt that it would be a good fit, and viewed it as a chance to help make it
